Usage information

User and maintenance manual

- Remove packaging and any label from tools and disinfect them.
- Both manual and autoclave disinfection is possible.
- Sanitize tools using appropriate chemical decontamination products, in the concentrations, times and temperatures provided.
- Make sure tools completely dry up before next use.
- Hang tools while drying up to avoid any contamination or breakage.
- The storing area must be clean and far away from sources of intense light or heat.
- Do not use damaged tools.

Compliance

- REACH
