

Industrial scraper with 75 mm stainless steel blade

Scraper with 75 mm stainless steel blade and ergonomic black polypropylene handle. Equipped with a hole for proper storage, it is the right ally for removing stubborn dirt from hard surfaces.

Code	Colour	Size (mm)	Material	Net weight (kg)
1122K	Black	190 x 75 x 25	PP - SS	0,077

Features

Quality: rigorous tests and controls are put in place to ensure compliance with the highest quality standards.

Durability: designed to withstand frequent and intensive use, ensuring a long service life.

Sustainability: the use of recycled PP significantly reduces dependence on virgin plastic and contributes to circular economy.

Ergonomic grip: designed to allow a safe and comfortable holding.

Stainless steel: makes the blade sharp and extremely resistant allowing easy removal of even the most difficult dirt.

Compliance

REACH
