

Industrial washing brush 30 cm with handle

30 cm washing brush with tough bristles for removing stubborn dirt on floors. Recommended for use with cleaning agents before a thorough cleaning of the surface. Complete with universal connection suitable for any handle. Supplied with 150 cm plastic-coated metal handle with 24 mm diameter.

Code	Colour	Size (mm)	Material	Bristle diameter (mm)	Bristle height (mm)	Thread	Net weight (kg)
330/C	black-orange	315 x 65 x 1560	PP - PET	0,75	40	Universal	0,92

Features

Quality: rigorous tests and controls are put in place to ensure compliance with the highest quality standards.

Durability: designed to withstand frequent and intensive use, ensuring a long service life.

High performance: the trimming process makes the bristles uniform and aligned, while punching optimises their arrangement and inclination.

Sustainability: the use of recycled PP and PET significantly reduces dependence on virgin plastic and contributes to circular economy.

Setola dura: rimuove anche lo sporco più ostinato asportandolo completamente.

Angled bristle: it allows you to clean the corners that are generally more difficult to reach.

Universal attachment: compatible with all the main types of threads marketed.
