

Industrial cobweb brush with double bristle

Radial cobweb brush with double bristles, whose special shape allows effective cleaning of walls and crevices from any angle. The soft black bristles are suitable for gentle dusting of walls, while the stiffer orange bristles placed at the end preserve the integrity of the article, allowing optimal cleaning of corners.

Features

Quality: rigorous tests and controls are put in place to ensure compliance with the highest quality standards.

Durability: designed to withstand frequent and intensive use, ensuring a long service life.

High performance: the trimming process makes the bristles uniform and aligned, while punching optimises their arrangement and inclination.

Sustainability: the use of recycled PP and PET significantly reduces dependence on virgin plastic and contributes to circular economy.

Double bristle: bristles with two different hardness to satisfy every need of cleaning.

Soft bristle: gently cleans surfaces without leaving any residue.

Setola dura: rimuove anche lo sporco più ostinato asportandolo completamente.

Double angle: it allows you to clean both the walls and the coves that are generally difficult to reach, ensuring maximum efficiency.
